

Multiplication by 8 to 12

 Write the answers.

1) $11 \times 5 = \underline{\quad}$

13) $5 \times 10 = \underline{\quad}$

2) $9 \times 6 = \underline{\quad}$

14) $4 \times 12 = \underline{\quad}$

3) $4 \times 9 = \underline{\quad}$

15) $9 \times 9 = \underline{\quad}$

4) $10 \times 10 = \underline{\quad}$

16) $2 \times 9 = \underline{\quad}$

5) $11 \times 7 = \underline{\quad}$

17) $11 \times 3 = \underline{\quad}$

6) $8 \times 9 = \underline{\quad}$

18) $11 \times 11 = \underline{\quad}$

7) $12 \times 12 = \underline{\quad}$

8) $9 \times 11 = \underline{\quad}$

19) $10 \times 12 = \underline{\quad}$

9) $9 \times 7 = \underline{\quad}$

20) $12 \times 7 = \underline{\quad}$

10) $10 \times 7 = \underline{\quad}$

11) $8 \times 11 = \underline{\quad}$

21) $8 \times 12 = \underline{\quad}$

12) $9 \times 10 = \underline{\quad}$

22) $11 \times 10 = \underline{\quad}$

23) There are 10 bananas in each box. How many bananas are in 9 boxes?

24) Each child has 9 apples. If there are 6 children, how many apples are there in total?

25) Each child has 11 pencils. If there are 12 children, how many pens are there in total?
